## DRINK, DATING & HOOK-UP SAFETY TIPS

### PLEASE SHARE THIS IMPORTANT SAFETY MESSAGE WITH EVERYONE FROM THE FOLLOWING GROUPS

DA Gascon, CCOP, CP-USA

Sisters of Perpetual Indulgence

SFPD and SAFE

### AVOIDING ROOFIED DRINKS

- **DON'T** accept drinks from strangers unless you receive it directly from the bar staff.
- **DON'T** leave your drink unattended in a bar, club or other public location. Take it with you or if you do leave it for a time, buy yourself a new drink to avoid being drugged without your knowledge.
- **IF YOU FEEL UNUSUALLY UNWELL** after only one or two drinks, let the bar/club staff or your friends know and go to a safe and secure area immediately. Consider seeking medical attention if warranted.

### DATING / HOOKUP SAFETY

- **SNAP A PICTURE** - of anyone you meet for the first time, and e-mail it to yourself or a trusted friend. Include the name and phone number of the person if you have it.

- **BE A BUDDY** – establish a buddy system with a trusted friend if you go home with someone you just met. Arrange to call or text them when you get there safely and do the same when you leave or the next day. Include the address and apartment number if you can. Do this for your own friends also.
- **STAY ALERT** – watch your friends and those around you, not in a creepy or paranoid way, but look out for each other and if you see anything suspicious or unusual, report it to bar staff, security staff, door staff or if you think it's needed – to police on the non-emergency 415-553-0123 or emergency 9-1-1 numbers.
- **DON'T GET WASTED** - if you go out to get wasted with friends, ensure those friends will get you home safe and sound. DON'T pick up a stranger when your wasted, and don't get wasted if you intend to go home with a stranger. You increase your risk tenfold by doing so.

### **REPORT ALL CRIMES & SUSPICIOUS ACTIVITY TO SOMEONE**

- **TRUST YOUR INSTINCTS** – If your instincts are telling you something isn't quite right, or things are just WAY too good to be true, TRUST THEM. It's better to miss something that may be pretty good occasionally, than to end up in a really horrible or life threatening situation that you may not walk away from.
- **REPORT** anyone who steals from you, assaults you, or abuses you in any way during a date or hook up. You may have gotten away relatively unharmed, but their next victim may not be so lucky. Your report could SAVE A LIFE.
- **SAFE REPORTING** – police can treat your report confidentially. If you feel uncomfortable reporting to police directly, contact Castro Patrol or Stop The Violence and we'll help or pass the information on for you while maintaining your anonymity.

Working together as a community, we can protect ourselves and our friends, we can keep the Castro a fun and safe place to live, work and play; and we can help to identify those who choose to target the Castro and ensure they are apprehended and brought to justice.
